Why Fusion?

Fusion is the process of creating something new by the mixture of qualities, ideas, or things. If you've been with us in student ministry for years, or if you're joining us now, this is a critical point in your life. This is where you decide who you are, and more importantly, who you're going to be. We want to play a role in that. We want to see you progress through our ministry, using all the tools that you've gathered and learned to piece together what will become your personal faith. The process of Fusion is challenging, but we also believe in the result.

July Summer Fuse Event: Join us **July 7** as we celebrate summer with a night of fun, community and food. Stay tuned for details.

BigStuf Prep Day (July 23): If you're going to BigStuf, this is the event you can't miss. All trip details, room assignments, luggage tags and important details will be covered at this meeting. Attendance is mandatory for students and parents. BigStuf forms have to be notarized prior to the trip. We'll have a notary attending the meeting for your convenience. 6-7PM

BigStuf: Pack your sunscreen and head off to sunny Florida for a week at the BigStuf Conference. Join us for the biggest trip of the summer! We'll be leaving **Saturday, July 24th at 3PM**, and will drive straight through. We will arrive in Panama City Sunday morning. We're excited for a week with the BigStuf staff and growing in Christ. We'll be returning **Friday, July 30th around 6AM**. You can always follow our fun from Fusion's Facebook and Twitter. \$480/student. Your remaining balance is due **Sunday, June 20th**.
